September, 2009

Dear Fellow Curlers:

On behalf of the Warton Curling Club Executive, I would like to welcome you back to another season of curling. Your executive has been working hard since last spring to prepare for the upcoming year.

Last year's fundraisers again proved to be enjoyable for our members and financially successful for the club. Consequently the executive is recommending we continue with the fund raising activities hosted by each of our leagues. So put on your thinking caps and help your draw plan a "fun"draiser. Remember this is to be a team effort, not something left to the game's captain of the night. We feel these activities not only helped our club financially but also added to the sociability of the club. To start the season, your executive is planning their annual opening steak and chicken barbecue for Friday, October 30. Someone will be contacting you with details later. Proceeds from these events will continue to support capital improvements at the club.

We are continuing to promote the "\$50 new membership" fee with the hope of increasing the number of club curlers. Please spread the word to anyone you think might be interested in trying the sport and to any newcomers to the area. Also, if you know someone that used to curl at Warton, be sure to encourage him/her to rejoin our club. Remember, the more the merrier, and the lighter the workload for all members plus the addition of more members helps us to keep our curling fees to a minimum.

Please use the enclosed form to register your schedule choices and submit your membership dues before October 16, 2009 to give our game captains time to organize the leagues. Don't forget to include your \$100 post-dated work cheque, which is only cashed if you do not complete your volunteer work shifts.

Enjoy the rest of the fall and I look forward to seeing each one of you in on the ice in November.

Yours in curling

Edie Roberts  
President
